QUALITY

Our decisions promote a world-class, high quality experience.

ENTREPRENEURSHIP

Our entrepreneurship ensures that our brand thrives so that we can continue to fund worthy charities for years to come.

OUR MODEL

The Executive Game team partners with leaders of charitable organizations to create a high-quality Texas Hold 'Em poker tournament. We energize each charity's network of donors and fans by offering a unique experience that helps them achieve their giving goals.

The premium buy-ins and membership fees raise optimal dollars for the charities and are tax deductible for the donors.

Half of each player's poker ante goes to the benefiting charity. After the event's operating expenses are covered, the other half of the ante is awarded to the players that finish first, second and third.

The tournament has a classy, luxurious and fun ambience. The dress code is formal. The event is catered for players and their guests. Each player can be attended by one guest. The event includes a silent auction benefiting the charity.

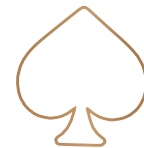

The Executive Game works with the charities to promote their work and the tournament. Corporate and organizational sponsorships are encouraged.

The Executive Game 501(c)3 nonprofit membership fee covers the cost of:

Marketing Support to attract players, attendees and corporate sponsors

Poker Essentials including equipment and professional staffing

Event Costs such as the venue, food and beverages.
