

# Debris Removal from Private Properties

Residents of the U.S. Virgin Islands are asked to put debris for collection outside their properties on the side of the road. Only debris such as the items listed below will be collected - household garbage is not permitted.

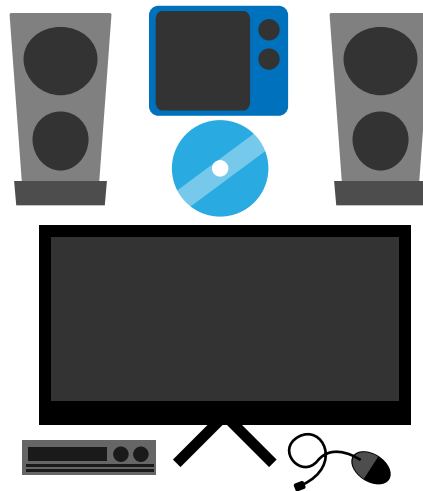

**Residents are asked to separate debris into four stacks as follows:**

## Stack 1 Appliances

Refrigerators\*  
Washing machines  
Dishwashers  
Clothes dryers

## Stack 2 Electronics

TVs  
Microwaves  
Speakers  
Radios  
Computers  
VCRs and DVD players

## Stack 3 Vegetation

Tree limbs  
Coconuts  
Damaged plants

## Stack 4 Construction Materials

Roofing  
Galvanized tin  
Two-by-fours  
Concrete blocks  
Broken pieces of walls  
Broken windows

**Debris not sorted according to the guidelines will not be collected.**

\*To ensure public safety, residents must remove all refrigerator doors before placing for collection.
