Dear U.S. Virgin Islands Hotel & Tourism Association Member,

My name is Anthony and I am the President of a nonprofit called the Executive Game Inc. We are a registered 501(c)3 operating here in St Thomas, USVI. Our mission is to promote the interests of worthy charities in our community whose work makes our world and community a better place. Our world class Texas Hold 'Em poker tournament is both an unforgettable experience and an opportunity to change lives.

We would like to invite you and your organization to participate in the **ALL-IN Against Cancer Poker Tournament on Saturday Feb 22nd, 2020 at Old Stone Farmhouse**. The purpose of this unique fundraising event is to raise money for Cancer Support Virgin Islands (CSVI), a non-profit organization to assist those in the USVI impacted by cancer. We have partnered with CSVI to create a magical evening of great food, wine and spirits, combined with an elegant Texas Hold 'Em poker tournament attracting players from within and outside the Territory. We are seeking corporate sponsors to help us reach our goal of raising **\$100,000** for CSVI from the tournament, event spectator admission, and silent auction. We need our community to go ALL-IN with us on fighting a disease that 39 out of 100 people will develop in their lifetime.

We hope you will join other businesses in the community and become a corporate sponsor to this event. By being one of our top tier sponsors, the players of your choosing will participate in the Texas Hold 'Em Tournament and your other guests may attend as spectators to mix and mingle and cheer your team on. Corporate sponsorship packages start at \$5,000 and includes event admissions for players and spectators, professional quality tournament directors, dealers and poker essentials. Significant cash prizes will go to the top three players to ensure an exciting tournament for everyone involved.

The evening will also include live entertainment, delicious hors d'oeuvres, and fine wine and spirits. Enclosed, please find our various corporate sponsorship tiers to learn what is included. The Director of CSVI, Barb Michaud and I would be happy to meet with any of the leaders of your organization to discuss the tournament further. To reserve your sponsorship now please call 813-530-5148 or email ALL-IN@egcharity.com. Thank you for your time and consideration for this worthy cause!
